Autumn Term 1
Friday 6th September 2019

Welcome Back,

Having known the school and the children for many years, I am very pleased to have joined you as your new head teacher.

We have had a strong start to the year and fantastic learning has been taking place across the whole school. I am looking forward to getting to know every child within the school and ensuring they have the absolute best start to their schooling this year. The children look so smart in their school uniform and have lit up the building once again.

I will always be on the school gate so please do come and say hello!

Thank you so much for welcoming me so warmly to St Matthias. Very much looking forward to the term ahead.

Lucy Blewett

Thank you for ensuring children arrive on time to school.

The gates will open at **8:50am** and children will make their way to their classrooms. They will need to be in their classroom by **9:00am** ready for the register to be taken. Children will then go over to assembly.

The gates will be closed at **9:00am** but it is advised to arrive sooner to get across to classrooms.

Any children arriving after **9:00am** will have to be signed in as late by their parents. They will then be escorted by an adult across to the assembly hall.

This allows us to ensure we know where all children are and keep your children safe. Your child's learning is our priority and we would ask that they don't miss out on any valuable learning time.

All You Need To Know: Hackney Carnival 2019

This year's event promises to be bigger and better than ever before, and we're inclined to believe it as more live stages and sound systems than ever will be mushrooming up over Hackney Central at the weekend. Last year 60,000 people took to the traffic-free streets to celebrate the wonderful, diverse community of the borough with dub, dancing and dazzling outfits.

The party officially runs from 11am until 7pm, with some sound systems kicking off around midday. The vibes won't end at the official curfew though, so keep an eye out for official after parties. There'll also be food vendors all over Hackney Central and along the route to keep you well stocked on dancing fuel.
