Autumn Term 2
Friday 22nd November 2019

Dear Parents and carers,

We are looking forward to seeing you all at parents evening on Thursday 5th December. We will be running sessions from 3:50pm until 8:00pm. Please book your ten minutes slots by signing up on the sheets on the classroom door before and after school. The sign up sheets will go up on Monday morning. Please collect your children at the normal time of 3:30pm. It will be a challenge to accommodate lates on this day as all adults will be involved in parents evening. All clubs will go ahead as normal but there will be no booster sessions this day. This year we will be running parents evening together in the hall. All teachers will have a table around the room. We have invited school governors to come along, we will have a table with our SENCO Ms Durcan and members of our PTA. Myself and Ms Martin will be in the hall all evening for you to come and talk to as well. The ten minutes is a great opportunity to talk about your child's progress and learning. If you have any other significant concerns and feel that you need a longer meeting then please do request to book a meeting with myself, Ms Martin or Ms Durcan the SENCO prior to this date. We look forward to seeing you all there on Thursday 5th December.

Your children are a credit to you and we can't wait to share their learning with you.

Wishing you all a wonderful weekend,

Mrs Blewett

Year 3 had a fantastic trip to the Science Museum this week, as part of our learning on Light. This included a fantastic visit to the interactive WONDERLAB which included exciting demonstrations and a huge model of our solar system.

It's getting colder!

Please ensure your child is wearing appropriate clothing for the weather. They need to come to school wearing a warm, waterproof coat and sensible footwear.
