Spring1 Newsletter 1 Friday 10th January 2020

Message from the Headteacher

Dear parents, carers and children of St Matthias,

Happy new year to you all!

We have listened to our community and realise that many of
you preferred it when the newsletter was printed rather than
in a text. We hope by printing it again more of you can read
it! We will still share it via text. For sustainability purposes we
are going smaller and sticking to black and white.

We are including all important dates and school updates and
celebrations!

Many parents have said they'd like to know our staff better...
they are such a special part of our school and play such an
important role in your children's lives. Each week we'll be in-
terviewing a different member of staff for you to find out more
about. This week it's the wonderful Ms Martin.

Please remember to sign up to clubs in the office if you have-
n't done so yet.

Have a wonderful weekend

Mrs Blewett

Reception Admissions

Deadline for Reception admissions is next week Wednesday 15th January.
Please ensure all applications complete and all relevant additional infor-
mation has been sent to Hackney learning trust, i.e Birth certificate or Pass-
port. If you need any help or assistance please see Janiece in the main
office.

Around our School

How long have you been at St Matthias and what do you do?

This is now my sixth year teaching here but I trained here to become a teacher the year before that. I still remember first meeting the current Year 6s when they were in Reception! Since then, I have taught all of KS2 and am now one of the Assistant head teachers. Now, as I don't have my own class, I get to teach every class in the school, which I really enjoy.

What did you want to be when you were younger?

A journalist because my dad was one and I loved writing.

What was your favourite book as a child and what are you reading now?

I'm currently reading *Armada* by Ernest Cline. It's about a boy who is daydreaming at school and notices that the space ships from his favourite computer game have started to invade Earth. When I was little though, I loved poetry books *Heard it in the Playground*.

What do you do when you're not working?

I do lots of escape rooms, I like to cook and I love running!

What do you like most about St Matthias?

The children! I wanted to be a teacher because I find children so funny and that's exactly what the children at St Matthias are.
