

Recognises numerals 1 to 5.

- There are lots of frogs swimming in the pond. Can you find a frog?
- What number is shown on the frog?
- Can you match the frog to the lily pad showing the same number?
- Can you help sort all of the frogs on to the lily pads?

### Challenge Set-Up Instructions

1. Fill a large activity tray with blue rice or sand to create a role-play pond.
2. Laminate and cut out the Number Frogs and hide them in the tray.
3. Place the Numbered Lily Pad Posters into the tray.
4. Place the resources in an area for children to use alongside the Challenge Card.
