Daily Activities

MATHS

Number bonds to 10

Finding shapes in the environment

READING

Please read a bedtime story each day. If you have internet access, stories can be found on YouTube.

Physical, Social & Emotional Development

See if you can complete some of the gross motor activity challenge cards!

Biscuit Bear didn't have any friends so he went to make them. How do we make new friends?

Understanding the World

RE: Research and find out about a religious festival. It can be a celebration taken from any religion of your choosing. Present what you have found out to Ms Rosser. You might want to make a poster, a video, a fact file... anything!

WhatsApp a picture of any completed work to me and we'll share your fantastic learning on our school website!

Nursery & Reception's Book Corner

Here is Ms Bee reading this week's story, 'Biscuit Bear'.

Most of the activities are based around this story, so please watch this video first:

<https://www.youtube.com/watch?v=d4PlyWBzOOg>

Where did biscuit bear come from? Why was there nobody to play with? Do you think he should be getting up in the middle of the night to play? What would you do if you woke up in the middle of the night?

Virtual Tour of the Week

Look at the **pandas** in Atlanta Zoo! What do you think they like to eat?

<https://zooatlanta.org/panda-cam/>

Get Creative!

Can you make some friends for biscuit bear? You could make them using card or any craft resources you have, or you could try making them using salt dough, play dough or biscuit dough!

Can you decorate his friends? What will they look like? What facial expressions will they have?

Mini Mash

Visit: **www.purplemash.com/sch/stmatthiasn16** and login with the details sent to you. Select 'Mini Mash' when you log in.

Complete these activities by the end of the week:

When you log in to Purple Mash, look at your '2dos' (red button in the top left corner) and complete what you can.

Continue to explore 'Mini Mash' and look at the 'maths' section.

REMEMBER TO STAY SAFE WHEN YOU USE THE INTERNET AND TO TALK TO A TRUSTED ADULT IF YOU NEED TO.

Maths

This weeks maths story is 'Oliver's Vegetables'. Time to play with your food! Can you count your peas? How many can you eat? Can you count them in 2s? Can you add your peas and carrots together? How many potatoes are in the cupboard? Can you share the vegetables equally between you and your family?

For more learning, I'll send some worksheets but please also look at White Rose Maths, week 10.

Writing

Using your whiteboard and whiteboard pen, or a piece of paper and normal pen, choose one of these writing tasks:

- What similarities and differences can you find between Biscuit Bear and The Gingerbread Man? Write about them.
- Write a set of instructions explaining how to make biscuits.
- Use your senses to describe some biscuits
