Are you good at solving problems?  
Are you an excellent role model?

Then you should run for **School Parliament!**

If you are elected, you will be a voice for your classmates and help make positive changes for our school and local community.

- Two people will be elected from each class (Y2-Y6)
- You will give a small speech to your class saying why you would be a good member of School Parliament
- Your classmates will vote democratically
