

Did Fareedah
Did you know the moon
is empty.

The first person to go to
the moon is Neil Armstrong.

There are craters on
the moon. The first African
woman is Mai Jameson.

The moon is spinning around
the earth.

The moon moves away from
earth.

You are lighter on the moon.

Did you know the moon
spins around earth in 29

days. Did you know the
moon is far away from earth.
