

I am a child from
St Matthias. Everthing
at my school is
done with love. I know
who I am. I know that
I can dream because
I show resilience, kindness,
service, forgiveness, to
collaboration and respect.
At my school everyone
is resilience and when
someone is sad or alone
people play with them
or ask what is wrong. At
St Matthias the teachers

are respectful and kind.
I am Everthing
