

Jeremy

I Am Everything

Like the sun I'm here to shine.

Like the mountains I'm here to stand.

Like the birds I'm here chirp and soar over everything.

Like the popcorn I'm here to pop.

Like the radiator I'm here to heat and heat.

Like the rain I'm here to dance.

Like the plane I'm here to fly and land into any direction.

I want

Like the glass I'm here to break.

Like the rollercoaster I'm here to swing.

Like the glues, I'm here to dance to my parade.

Like the fireworks I'm here to pop.

Like the school I'm here to learn and be smart.

Like the giant I'm here to hug.

Like the sparkle I'm here to shine and shimmer.

Like the family I'm here to love.

Like the diamond I'm here to sparkle.

Like the glue I'm here to ~~be~~ ^{be} spread all over.

Like the plate, I'm here to and dig for treasure. Like the marathon

I'm here to race and win. Like the cheater

I'm here to run fast. Like the elephant

I'm here to swing with my trunk.

Like a duck I'm here to quack and lay eggs. I am more than Enough I Am Everything.
