Dear Isaac.

Thank you for your letter and for your challenging questions. I will do my best to answer them.

I am the MP for Mitcham and Morden in South London and I was born and brought up in my constituency. I regard it as a great honour to be able to represent my community in Parliament. As MPs we can choose which Select Committees to become members of and there is a Select Committee that looks at the work of every government department. I chose to be on the Treasury Select Committee, as I believe that finance is a very important matter, particularly given the Coronavirus pandemic and how much it has cost. The position of Treasurer at St Mathias Primary School must be a very challenging one in these difficult times. It is important to spend the money you have, well, and on the most important things. I fully appreciate that all schools are working very hard with very little money. I believe that you could be a good role model by fully explaining just what the difficulties are, and how you are trying your best to sort them out.

Thank you for your letter and good luck in all you do.

Yours sincerely

Siobhain McDonagh MP
