I am writing to let you know I am helping
the tear thief -

She is extremely curious that she is not
getting high quality tears.

We can lose the moon if it can disappear
because she is collecting poor quality tears.

Not all tears are the same some
poor quality tears are rage tears and
self-pity that make the world disappear

I have been trying my best to encourage
you to help the world from disappear
if you continue to only cry sad tears
we are glowing the world
