News from our classes: What has been the most memorable learning this week?

Year 1:

This week Year 1 have been reading a new book called 'Leaf' about a lost polar bear. We have been researching polar bears and finding out lots of amazing facts. We have also discovered that due to climate change, these amazing animals could possibly become extinct! We made a beautiful art piece to celebrate them.

Year 2:

In year 2, we have been learning all about our new book 'Moth'. As part of this, we have written a set of instructions about how to create a moth catcher and have started to create a big piece of class artwork using zentangles! We are excited to share the picture with you when it has been completed.

Year 3:

We've been learning about healthy eating and healthy food choices in DT. This week we made smoothies by deciding which ingredients would be healthiest. We chopped, mixed, scooped and stirred before getting to blend!
