

# The Maniac's Haunted House

CHAPTER ONE

Once there was two teenage boys  
called Gushman and Gushman.  
Who were driving home but got lost.  
They found themselves in a  
shadowy, dark forest. After  
a couple of hours they found  
an old house and discovered  
that it was haunted. They found  
out the owner was an evil, demonic  
maniac and the house contained  
delicious treasures that everyone  
was looking for. So the brothers  
went inside to look for the  
treasure. Then one of the brothers  
Gushman remembered that he has  
been here when he was little.

CHAPTER TWO THE MEMORIE  
Gurshman had a Memorie. "I've  
been here before," muttered Gurshman.  
"Wait you've been here before!"  
exclaimed Gurshman. As soon  
as Gurshman touched his  
old toy that he left there  
when he was a kid he had  
a scary, sinister Memorie.  
"I had a Memorie!" What was  
the Memorie and what did you  
see? asked Gurshman. Gurshman  
had no response and lied. "I-I-I  
was just thinking of when  
I was little." Lied Gurshman.  
So they moved on and...

## CHAPTER THREE THE SINISTER

That was suspicious but OK.  
The boys were about to enter,  
When someone came, they hid  
behind the red tree till the man  
was gone. He opened the door  
and went inside. Gursharan  
realised that the man was the  
Maniac and decided to follow  
him in to the house. As  
they went in to the house  
the doors shut behind them  
and they got captured. The  
Maniac caught us. Wait  
that was the Maniac. I led the  
younger sibling. Yes it was, so  
we need to get out of  
here. Meanwhile Gursharan was  
looking at the Maniac Gursharan had  
a blade.

CHAPTER FOUR THE ESCAPE  
When you were looking at the  
maniac I hid a blade in my  
pocket. "Great way we can  
escape." They cut the box and  
hid inside a secret room. On  
the way G. Urshagan brings a mini drone  
and all air tags they flew the  
drone and sliced the air tag into  
his pocket and connected it to  
G. Urshagan's phone. "Oh, it's his  
coming this way." "A. I found  
you now, there's no escape this  
time. Where's my bat?" "I took  
your bat. Where did you get  
that drone?" "As soon as I  
put that air tag in your pocket  
I decided to take your bat  
also." "Now say goodbye." "A. aah"

# CHAPTER FIVE Jail

When the generals came the maniac  
sandy got arrested and we told  
them the entire story of  
how we got here and the  
maniac, so they also broke and  
banned the house and the  
forest, the teenagers went  
home and had some fun.  
"I hope you guys liked the  
story I told you, now I'm  
going to bed 'bz' I'm tired, wait  
what's that?" A ~~AAAAAAAAAAAA~~  
The E.M....

G W. Sherman actually had a  
memorie of them dying, the
