Latest news from school:

We have had a lovely week with year 5 proudly representing our school at a sports competition on Wednesday. We are looking forward to welcoming a lot of our families to the Hackney Moves Schools' challenge at Hackney Marshes tomorrow too. We hope lots of you can attend to cheer our school on, as we complete the mile, before staying for the Hackney Run festival.

News from our classes: What has been the most memorable learning this week?

<p>EYFS: In reading this week we have been sharing our experiences of going to the beach. As our book is set in Africa we wanted to find out more about the continent of Africa and learnt a great song to help us to remember the 5 continents. We also had a great time practising for our EYFS sports day in PE!</p>	<p>Year 1: In writing this week, we have become news reporters. We have looked at all the different features of a news paper and have tried writing our own headlines and reported on the lonely beasts journey to find his friends.</p>	<p>Year 2: In RE we are learning about Islam and its five pillars. On Monday, we focused on the pillar of salat. We designed our own prayer mats using symbols that are important to us.</p>	
<p>Year 3: We've designed our scientific experiment today! We wanted to investigate using our understanding of independent variables so we chose to investigate EITHER if sunshine effects growth of plants or if water effects growth. We planted our different seeds and will hopefully have an amazing class garden growing soon.</p>	<p>Year 4: Year 4 have been exploring the scientific world of sound and looking at the inner workings of the ear. We have also been doing rehearsed improvisations and role play based on our wiring book 'The Great Kapok tree.'</p>	<p>Year 5: We had an incredible sports trip where we explored new sports like wheelchair basketball, boccia, rugby, dance, and volleyball. It was an opportunity for us to foster teamwork, sportsmanship and fair play.</p>	
<p>Year 6: In science this week we have been learning about the circulatory system. Year 6 created a physical model to represent the blood vessel which is one of the main parts of the circulatory system. Well done everyone!</p>	<p>Mr Selvin's PE: In PE this week, all pupils have been practising their athletic skills. Some have practised sprinting relays, whilst others have been practising their javelin skills, ready for sports days next half term. Great collaboration, everyone!</p>		

School value in focus this week: **Collaboration**

Each week the class teacher nominates a pupil in their class who has shown the school value that was in focus.

The pupils who have shown excellent **collaboration** are:

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Iylah	David	Sarai	Whole Class	Chaneya	Mozean

Online guidance for supporting your children at home:

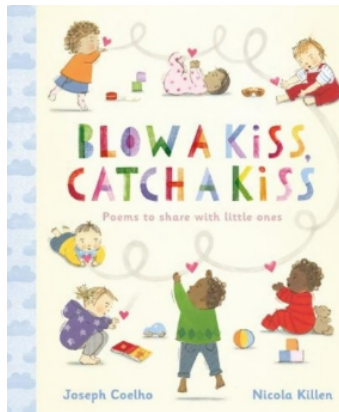

A reminder of the web address for our school YouTube Channel. There are lots of useful short clips; for example, maths strategies which we use at school.

Keeping Children Safe:

The safeguarding of the children at St Matthias is our number one priority. We adhere to stringent safeguarding procedures to protect the welfare of all the children who come to our school. We will endeavour to work with parents and carers as it is our duty as a school to protect our children and to keep them safe.

If you have any concerns or queries, please do not hesitate to contact our designated safeguarding lead (Ms Durcan) or leadership team (Ms Martin/Ms Frohock/Mrs Blewett)

Poem of the week

If you want to share any of your poetry, please give it to your teacher and we'll upload it onto our writing blog [here](#).
