Dear Parents/Carers,

We are excited to share with you the events and arrangements that have been planned for Year 6 this half term. The class will be continuing to be taught the Year 6 curriculum across all subjects right until the end of term and we continue to have high expectations around this. In addition to this, significant work will also be done around transitions to secondary school and we have a number of external services who are providing workshops around this. The class have started preparing for their end year production of Matilda and are looking forward to sharing this with you!
