Latest news from school:

We have had a lovely week at school this week, with Y1 visiting the Florence Nightingale Museum, where they immersed themselves in the history of the Lady with the Lamp!

Next week, we are looking forward to sharing with you all of the hard work that pupils have been doing in PE. Please remember to bring water, a hat and sunscreen for sports day, as it is expected to be hot.

We hope you have a lovely weekend.

News from our classes: What has been the most memorable learning this week?

<p>EYFS: We have been learning about the foods of India this week and using words to describe what we can feel and smell. We have also been discussing the human life cycle and discussing what changes occur as we grow up.</p>	<p>Year 1: Year 1 had a very exciting week. We visited the Florence Nightingale museum where we met Florence herself. She showed us artefacts from her life 200 years ago and we learnt about how important her work was to health care.</p>	<p>Year 2: We have had a really focused week. We have been learning about newspaper reports and we performed some ourselves! In maths we have started to learn about multiplication and division and in science we have been looking at the inside of a seed.</p>	
<p>Year 3: It has been a very busy assessment week, with Year 3 really showcasing their amazing learning! We have also spent some time in RE delving into Jesus' 'I Am' statements and thinking about what Jesus meant when he used them.</p>	<p>Year 4: Year Four have been working through their reading, spag and maths assessments. The children are very excited for their trip to Hackney Empire on Tuesday 11th for Apollo Music.</p>	<p>Year 5: In music this week, we began our musical production for the story Holes. We learnt a news song, actions and dance moves to tell part of the story.</p>	
<p>Year 6: This week the class has started a project that will help them in their transition to secondary school. The class has been carrying our research into their secondary school and will be adding what they have found out from their Year 7 transition day. We will continue to explore questions that we have about next year together as a class.</p>	<p>PE: We focused on our agility across the school this week, practising dodging, navigating around cones and hurdles. We're really excited for the two sports days next week and are looking forward to showing you all of our hard work!</p>		

School value in focus this week: **Collaboration**

Each week the class teacher nominates a pupil in their class who has shown the school value that was in focus.

The pupils who have shown excellent **collaboration** are:

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Sharon	Chantae	Lionel	Diamond	Chaneya	Whitney

Online guidance for supporting your children at home:

A reminder of the web address for our school YouTube Channel. There are lots of useful short clips; for example, maths strategies which we use at school.

Keeping Children Safe:

The safeguarding of the children at St Matthias is our number one priority. We adhere to stringent safeguarding procedures to protect the welfare of all the children who come to our school. We will endeavour to work with parents and carers as it is our duty as a school to protect our children and to keep them safe.

If you have any concerns or queries, please do not hesitate to contact our designated safeguarding lead (Ms Durcan) or leadership team (Ms Martin/Ms Frohock/Mrs Blewett)

Poem of the week

If you want to share any of your poetry, please give it to your teacher and we'll upload it onto our writing blog [here](#).

'What Happens?' by David I, Y6

So what happens when I'm born?

What happens if I make friends?

What happens if I start primary school or when I leave?

What happens when I start secondary school or when I leave?

What happens if I don't get my big moment to shine?

What happens if all my opportunities are rejected?

What happens when I grow up?

What happens when I become an adult or what happens when my responsibilities get ahead of me?

What happens when I start university or when I realise I have the privilege to choose?

What happens when I get a job?

Or what happens when I get true love?

What happens if my life gets worse because one day I will be miserable and helpless?

What shall my destiny behold?
