#### Latest news from school:

It was fantastic to see so many of you at parents' evening on Tuesday. A really lovely opportunity to hear about the progress your child is making at school. If you have any further concerns about your child's learning please do seek out Ms Baez, our SENDCo, who will talk to you about strategies and other professionals we could engage to ensure your child gets all the support they need.

We have already raised over £100 for the Gaza emergency appeal and will continue to sell maths text books to support both your children at home and raise money to help the children affected by what is happening in Gaza.

Next Tuesday we invite all parents to a coffee morning at 8:45 to discuss our Christmas plans. Do you want to bake cakes? Or run a stall? Come and find out how you can help. We also need some Christmas elves to help wrap gifts for the children.

Young Hackney - Keeping Pupils Safe Online (Thursday 8:45-9:45am in the Community Room)

Thank you to everyone who attended the Young Hackney session online on Thursday evening. We hope you found it as useful as we did. Young Hackney will be coming into school next Thursday morning to repeat the same session for those of you who were unable to attend online.

"Talking about the internet can be overwhelming, as there's constantly something new being released. This session aims to support you to start conversations about internet safety, how to utilise security settings and provides information and resources to support your child/children as they use the internet."

Another busy week in EYFS! We have been enjoying reading our Everywhere Bear story and imagining all the different activities we would like to do with the teddy at home. We have learnt about how we are all different and talking about what makes us special. We have loved showing each other our teddies and having a tea party with them. <b>Year 3:</b> This week year 3 have been focused on our anti- bullying campaign discussing different ways in which we at St Matthias show kindness and how we can use these strategies to help raise awareness to others. Well done year 3!		Year 1 have had a really focused week! We have been celebrating anti-bullying week and have been thinking of all the wonderful things we do at St Matthias to show kindness. We have also been learning how to use equality and inequality signs in maths and tackling some tricky questions. Year 4: We have been learning about how rivers form across the world in anticipation of our trip to a man made river (canal) in Stratford. We have also been exploring the relationship between the the 3 and 6 times tables as we strive to learn all of our number facts. Keep quizzing Year 4!		We have had an excellent week focussing on our anti-bullying week discussions and letters. We explored what a campaign is and why they are important and what we could do to raise awareness in our local community. We have used out maths learning this week as an opportunity to develop our fluency with our addition and subtraction skills. Year 5: This week, our class explored formal informative letters, delving into their structure and purpose. In Maths, we tackled challenging problems involving decimals and money. For Science, we learned about plant reproduction through bulbs, runners, and tubers, enhancing our understanding with engaging fill-in-the-blank activities.

#### **Online Safety**

TIP: Check to see if certain apps that your children are using has a parent mode for you to monitor things they are accessing.

Come to our Keeping Children Safe Online workshops with Young Hackney:

• Thursday 23rd November 8:45-9:45 in the Community Room

## Keeping Children Safe:

The safeguarding of the children at St Matthias is our number one priority. We adhere to stringent safeguarding procedures to protect the welfare of all the children who come to our school. We will endeavour to work with parents and carers as it is our duty as a school to protect our children and to keep them safe.

If you have any concerns or queries, please do not hesitate to contact our designated safeguarding lead (Ms Baez) or leadership team (Ms Martin/Ms Frohock/Mrs Blewett)

# **Pupil Attendance and Punctuality**

As a school it is really important that we keep accurate records of the children's attendance and punctuality. If your child is unwell, or will be absent from school for any reason, please telephone the school office and speak to Ms Janiece to report the absence. Alternatively you can email on: <u>admin@st-matthias.hackney.sch.uk</u>

It is important that we have this information by 9:00 am at the latest.

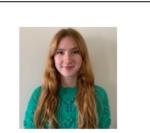

# School Parliament Update

Last week our amazing *School Parliament* pupils from Years 2-6 attended an important meeting at *Portcullis House* (part of the Houses of Parliament) to pose important questions to government policy makers. Keep up the great work team!

# Speech and Language Update

Parents and carers of children on the speech and language caseload can contact our SaLT, Isobel, on Fridays at the details below.

Isobel Stockton Speech and Language Therapist Working days at St Matthias: Fridays Focus: All year groups Mobile: 07785 700 885 Tel: 020 7683 4262 Email: i.stockton@nhs.net

# Talking Walk-in Dates

If you are a Hackney resident, your child is under 5 years old and you'd like to see a Speech and Language Therapist, please get in touch and you will be invited to attend an appointment. These are stay-and-play style sessions where your child can play and interact with others in a relaxed environment. A Speech and Language Therapist will talk to you individually about your concerns and observe your child. You will be given some advice and, if appropriate, you will make a plan together about the most appropriate next steps (this may include further assessment of your child or booking in for some therapy sessions).
