

As readers, we will:

- Build our skills in fluency by reading faster and more accurately using a wide range of fiction and nonfiction books
- Develop our inference skills.
- Continue to share and recommend books that we enjoy.

As writers, we will:

- Write about personal experiences where we have had to show bravery.
- Use conjunctions to join clauses.
- Identify and use homophones correctly.
- Write and publish our own creatively written stories

As mathematicians, we will:

- Represent multiplication and division equations through equal parts.
- Explore the relationship between doubling and halving.
- Explain our mathematical thinking to others.

As artists & designers, we will:

- Create prints inspired by Orla Kiely.
- Make our own textile item.

Year 2 Spring 1 2024

Topic: Walter Tull

Teacher: Miss Fryatt
AA: Miss Darlene

As historians, we will:

- Learn about who Walter Tull is his impact in world history
- Compare Walter Tull's life to Nicola Adams

As athletes, we will:

- Develop our passing skills in football and practise how to effectively hit a ball in tennis.

As coders, we will

- Learn how algorithms work.
- Program our own robots.

As scientists, we will:

- Identify what all living things need in order to survive.
- Discuss why a habitat is suitable for a particular animal.
- Explore a range of microhabitats.
- Design ideal habitats

As religiously literate learners, we will:

- Recall and name the Jewish festivals.
- Understand why Jewish people celebrate each festival.
- Reflect on the celebrations that matter to us.

Things to remember:

Y2 PE is on Tuesday
(Don't forget your PE kit!)

Homework is set on Friday and due on Wednesday
Bring a book bag daily
Read daily, practice your spellings and use IXL for maths and SPaG
