

# Lexi's Kidnapping!

By Joyce

## **Beginning**

Nervously, Lexi (Alexa) confirmed, "You guys don't have to worry anymore! I'll earn us enough money" Samatha (her mother) replied, "I hope so! We really need some at the moment!" The rent people said we're on our urge to lose the house! "That can't be soon right?" said Lexi with worry in her voice! "Anyways mum I'm going to bed now. Goodnight!" Said Lexi enthusiastically. "Goodnight," mum said.

## **The Next Day!**

Alexa woke up and got ready. She then headed to the busy, bustling market to buy some groceries. She then entered the market full of people only to realise that they only have a few dollars left. "Oh shoot!" said Alexa. "We don't have enough money!" "What do I do now? I guess I have to tell mum the bad news!" shrieked Lexi.

## **On The Phone**

"Hey mum! Sorry to tell you the bad news, but we only have a few dollars left!" cried Lexi. Mum replied with clear concern. "I found out when I tried to pay for the groceries but luckily the cashier gave them to me for free," explained Alexa trying to reassure her mother. "That's nice of them, but come home, it's getting late."

## **Criminal activity**

Alexa put her phone in her pocket as if it was her whole life and child. Swiftly, Lexi headed home and was approached by a weird mad man. "Hello there, sweetie! Where are you going?" said the weird mad man. "Even though it's none of your business, I'm going home!" said Lexi, with a suspicious look on her face! "Okay," said the weird mad man. Well, would you like some food and drinks like:

bread; water; juice; rice; oats and chicken?" "As tempting as it seems, no thank you. I pass but thanks. I'm going now. Bye!" said Lexi. "Wait at least water. You look thirsty." said the weird mad man (who looked to be in his mid-thirties). Lexi replied, "Well, I suppose I am quite thirty..." As she fell to the ground her head felt like a moving truck.

### **Kidnapping**

The weird old man puts Alexa in his van. He then takes her to an abandoned house that was in the outskirts of the countryside. Surprisingly alexa didn't move a muscle on the long hour drive. When they arrived the weird old man put her in a sack and carried her inside the house (which is the abandoned house which is also where the old man lives) and when entering the house the man took her unconscious body and laid it on floor

### **Awakening**

Soon after waking up, Lexi realised that she was tied to a chair and reached for her phone, but it was not there.

"Omg" said alexa in shock not knowing what to do or think. "I have seen that you've woken up," said the weird mad man. "Yes I have but why am I here? " said Alexa furiously." And who are you?" The old man replies" I am your biggest nightmare,and you'll soon find out." Omg I'm so scared!" said Alexa sarcastically. "This isn't the time for nonsense" " And so what. I'm not scared of some little dwarf like you! said Lexi furiously. "I'm not little! said the man while feeling defeated! "Well I don't know about you but i'm going home" i don't know you and i don't feel safe here, so i'm going."Don't you dare. said the weird old man.You're staying here. said the weird old man while holding her neck with a knife on her skin. Now stay here and be a good girl. "Alright alright!" said alexa trembling in fear.

### **1 hour later**

Alexa and the weird man both hear banging on the door. The weird old man then goes to the door and surprisingly finds the police waiting for him. Outside with the police is Lexi's mother. She tracked the location and called the police. Together they found the crazy criminal and arrested him. Luckily Alexa came out alive and everyone was happy!
