Jump Into a Book reading group

Dear Parents and Carers,

We have made a change to your child's 'Jump Into a Book' session. The sessions will run for 30 minutes every **Monday, Tuesday and Wednesday at 8:30.**

To ensure your child is able to attend and be present for every part of the session, your child will be eligible for free Breakfast Club! Breakfast club starts at 8:00 and will ensure your child has the best start to the day.

These Jump Into a Book sessions are a great way for children to build a love and enjoyment for reading, while also improving their reading skills and will continue to be run by Ms Raven. The books read at these sessions are chosen by the group and will give them a great opportunity to explore and discuss a range of different text types.

These sessions will continue to be supported by Ms Cherid as the reading lead and will be overseen by Mr Henderson and Ms Frohock as class teacher.

If your child has 100% attendance, they will be selected for a special trip to Stoke Newington bookshop where they will receive their own book!

Ms Cherid
Reading Lead
