

As readers, we will:

- Build our skills in fluency by reading faster and develop stamina for reading longer texts.
- Enjoy reading the fiction text 'The BFG' by Roald Dahl and the non-fiction text 'The Search for Tutankhamun'
- Build our comprehension skills by answering a range of question types

As writers, we will:

- Use the BFG to help perfect our narrative writing
- Use technical language, headings, captions, conjunctions, and fact boxes.
- Writing a campaign for international women's day.

As mathematicians, we will:

- Review key strategies for column addition, both with and without regrouping
- Solve problems that need us to use number in different contexts
- Have a clearer understanding of our 2, 4 and 8 times tables

- Design and create a collage in the style of M C Escher.

Year 3 Spring 2 2024

Topic: Mountains, Volcanoes & Earthquakes

Teacher:  
Miss Anderson

As geographers, we will:

- Learn about how our earth is constructed and explore tectonic plates
- Look at the effects of catastrophic events

As athletes, we will:

- Develop our skills in establishing movement and using space
- Participate in a range of games

As coders, we will

- Understand how computers form a network
- Learn about keeping safe online and digital footprints

As scientists, we will:

- Explore which materials are magnetic
- Design fair experiments to test the strength of magnets
- Learn about friction and how forces can be altered
- Take part in British Science Week

As religiously literate learners, we will:

- Explore the true meaning of Jesus's 2 greatest commandments (with a great focus on LOVE)
- Review the Easter story and look in depth at Judas, Peter and the Women in the text

Things to remember:

Y3 PE is on Wednesday  
(Don't forget your PE kit!)

Homework is set on Friday and due on Wednesday

Bring a book bag daily

Read daily, practice your spellings and use IXL/TTRockstars for maths and SPaG
