

As readers, we will be:

- Reading 'Holes'
- Making comparisons with and across books we have read this year.
- Exploring a wider range of vocabulary and using it across all curriculum areas

As writers, we will:

- Exploring a wide range of genres and developing our stamina
- Writing a travel guide and presenting in a variety of ways to develop our oracy
- Use a wide range of SPaG taught throughout the year in our writing.

As mathematicians, we will:

- Be learning how to convert between fractions and decimals
- Consolidating our understanding around multiplication facts
- Use a range of strategies to solve problems.

As artists & designers, we will:

- Create sculptures inspired by Serena Korda and Takaro Kuwato

Year 5 Summer 1 2024

Topic:  
Middle East

Teacher:  
Mr Henderson

As Historians, we will:

- be learning about the Middle East, including information about religion and settlers

As athletes, we will:

- Develop our athletic skills through running, jumping and throwing.

As *computing technicians*, we will be:

- Using Crumble to code and debug programmes
- Learning about copyright and ownership

As scientists, we will be:

- Exploring space by answering these questions:
  - What is gravity and how does it affect orbits?
  - How does the Earth's tilt impact day, night and the seasons?
- Carrying out investigations

As religiously literate learners, we will be:

- Learning about key beliefs of Sikhs and the first 5 gurus
- Learn about how these are applied to daily life for some Sikhs.
- identifying key practices ideals that influence behaviour and attitude.

Things to remember:

Y5 PE is on Monday

Homework is set on Friday and due on Thursday

Bring a book bag daily

Read daily, practise your spellings and use IXL/TTRockstars for maths and SPaG
