

As readers, we will:

- Read a wide range of extracts to develop our skills in answering assessment style questions.
- Continue to develop our individual skill using the bespoke reading platform, "Reading Plus."

As writers, we will:

- Deepen our understanding of word classes and clauses to help us in our upcoming SPaG assessments.
- Explore the book 'Shackleton's Journey' and write an endurance narrative about his expedition.

As mathematicians, we will:

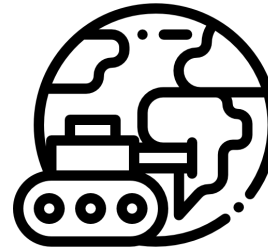

- Developing speed and accuracy in arithmetic style questions.
- Revising our understanding of shape and measure.
- Continue to apply our knowledge to reasoning style questions.

As artists we will:

- Study the work of surrealist Hannah Hoch.
- Understand the key ideas behind surrealism.

Year 6 Summer 1 2025
Topic: Twentieth century conflict

Teacher:
Miss Calixte,
Miss Martin

As Historians, we will:

- Delve into Britain's experiences of World War One and World War Two to gain an understanding into twentieth century conflict.

As athletes, we will:

- Develop confidence in swimming unaided and use a range of strokes.

As *coders*, we will

- Create media using 3D modelling to design a building using 'Tinkercad'.

As scientists, we will:

- Continue our learning with our 'Animals including Humans' unit.
- Focus on the biology and anatomy of the human body.
- Explore the human heart and the circulatory system.
- Devise experiments to investigate the effects of exercise

As religiously literate learners, we will:

- Investigating beliefs about life and life after death
- Reflect on and express their hopes for the future.
- Learn how faith challenges our attitudes, values and commitments in life.

Things to remember:

Y6 PE is on a Wednesday

Homework is set on Friday and due on Wednesday.

Remember to read every day for at least 20 minutes at home.
