

As readers, we will be:

- Reading 'The Fastest boy in the World'
- Making comparisons with and across books we have read this year.
- Exploring a wider range of vocabulary and using it across all curriculum areas.

As writers, we will:

- Develop a balanced argument.
- Exploring different grammar features.
- Writing a balanced argument, presenting it in a variety of ways to develop our oracy skills.
- Use a wide range of SPaG taught throughout the year in our writing cycle.

As mathematicians, we will:

- Be learning about improper and proper fractions.
- Consolidating our understanding around multiplication facts.
- Use a range of strategies to solve word problems.

As artists & designers, we will:

- Make food- specifically rock cakes and scones inspired by Kitty Tait.

Year 5 Summer 1 2025

Topic: Energy and Sustainability

Teacher:
Miss Paul
AA: Miss Kim

As Geographers, we will:

- Learn about sustainability focusing on how we produce energy.

As athletes, we will:

- Develop our skills in a range of athletic activities.

As *computing technicians*, we will be:

- Programming using scratch
- Using writing programmes to create a quiz.

As scientists, we will be:

- Learning about the topic Animals and Humans.
- Describing the changes that humans go through as they develop to old age.
- Comparing the changes of humans to other living things.

As religiously literate learners, we will be:

- Exploring how faith is portrayed through art.
- Understanding how faith and beliefs have changed over the past 50 years.
- How faith groups work in partnership with one another.

Things to remember:

Y5 PE is now on a Friday.

Homework is set on Friday and due on Wednesday

Bring a book bag/wallet daily.
Read daily, practise your spellings and use TTRockstars/Numbots for maths.
