

As readers, we will:

- Read 'The Tall Story' and think about the thoughts and feelings of characters and also exploring sibling relationships.
- Make links between books we have read.
- Share and recommend books to one another.

As writers, we will:

- Write a dual narrative based on the book 'Hansel and Gretel'.
- Write a persuasive letter from a character's perspective.
- Use a range of punctuation such as colons to introduce and list and semicolons.

As mathematicians, we will:

- Strengthen our fluency in arithmetic.
- Develop our understanding of algebra.
- Use our knowledge of maths to carry out maths investigations and develop our problem-solving skills.

As designers we will:

- Design, prepare and cook our own jam tarts and evaluate our final outcomes.

Year 6 Summer 2 2025  
Topic: Globalisation

Teachers:  
Miss Calixte,  
Mr Andre

As Geographers, we will:

- Explore the key aspects of global economy.
- Discuss the impact of globalisation on climate change

As athletes, we will:

- Improve techniques for jumping for distance.
- Develop confidence in landing safely and with control.

As *coders*, we will

- Use the programme Microbit to build and test their own programme.

As scientists, we will:

- Build a simple electrical circuit and learn the associated electrical symbols.
- Investigate the impact that changing component have on the brightness of a bulb and the loudness of a buzzer.

As religiously literate learners, we will:

- Consider the rules and responsibilities of belonging to a community and a community that is Christian.
- Reflect on the consequences and challenges of following and breaking rules.

Things to remember:

Y6 PE is on a Wednesday.

Homework is set on Friday and due on Thursday.

Remember to read every day for at least 20 minutes at home.
