

PRIMARY ADVANTAGE ST MATTHIAS CE PRIMARY SCHOOL CHARGING SCHEDULE

We believe that all our pupils should have equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means. The charging and remissions policy describes how we will do our best to ensure that a good range of visits and activities is offered, minimizing the financial barriers which may prevent some pupils from taking full advantage of the opportunities.

The Primary Advantage Federation Charging and Remissions Policy identifies:

- Activities for which charges will not be made
 - Voluntary donations/contributions
- Activities for which charges will be made
- Remissions and Subsidies - circumstances in which charges for charged activities may be waived

This document - **Schools' Charging Schedule** identifies the specific charges made for the activities identified in the policy for the current year 2024/2025 and is presented to Local Advisory Boards annually for approval of changes.
