Friday 19th December 2025

Year One parents and carers,

We are writing to you to share some positive news and inform you of some changes to Year One. Ms Danquah is expecting her first baby in Spring 2026. We are thrilled for her and hope you will join me in congratulating her on the start of her family.

We know this will impact on your children so want to make the transition as smooth as possible. We will be welcoming back Ms Worley as the year one class teacher from January 2026. She has been teaching your children throughout the Autumn term and has fallen in love with both the class and the school. She will be taking over as their main teacher when they return from Christmas.

Ms Danquah will stay for the first part of the year at St Matthias until she goes on maternity leave. Supporting our SEND pupils across the school and will cover classes when teachers are released. This means she will still have close contact with your child's class each week.

We welcome Ms Worley to the team and congratulate Ms Danquah. Please do come and speak to me if you have any questions about the above. Please rest assured we make all decisions with children at the heart and know this will be the best transition for their education for the rest of the year.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Lucy Blewett'.

Lucy Blewett
